

The Utah Core Standards impact every school, teacher, administrator, and student in Utah. The Core Academy is designed to provide a common platform of conversation and language throughout the state to support teachers' and districts' awareness and understanding of the Standards that will guide their instructional practice. Districts are encouraged to create their own plans for continued development using those teachers who have facilitated and attended the Core Academy as a resource.

The 2013 Core Academy will provide high quality instruction in mathematics, English/language arts, and elementary science to complement and support the integration of the Utah Core Standards and to ensure that all Utah students are college and career ready.

The Core Academy for summer 2013 will include the following content areas:

- Elementary Mathematics (grade bands K-1, 2-3, 4-5, and 6)
- Secondary Mathematics (grade bands 7-8, Secondary I-II, and Secondary III)
- Elementary English/Language Arts (grade bands K-1, 2-3, 4-5)
- Secondary English/Language Arts (grade bands 7-8, 9-10, 11-12)
- Elementary Science (grade bands 3-4 and 5-6)

The Core Academy will also continue providing information and professional development for site and district administration:

Administrator's Day on Wednesday at each location

Registration

Registration is scheduled to open state-wide to all teachers and administrators on APRIL 1, 2013 through the OnTrack Registration System (https://usoe.truenorthlogic.com). All participants must log in with a user name (firstname.lastname) and password (CACTUS number) in order to register. Participants must provide accurate contact information as they will receive emails from the system about the session. Some teachers, as designated by their districts and charter schools, will be eligible for an earlier registration period.

Additional Registration Information

- Registration will be required by individual teachers using the OnTrack system. LEAs will not be able to register teams of teachers.
- Courses will be capped at 30 participants per section. OnTrack will start a waiting list of up to ten (10) people after the limit of a section is reached. An email will be sent from OnTrack when a participant is moved from the waiting list and into a course.
- Participants are asked to return to OnTrack and cancel their registration if their plans change so that people on the waiting list can be moved into a session.

Credit

- Participants who attend all four full days of the Core Academy will receive two (2) USOE credits. Credits will be posted on OnTrack after the session and completion of the post-session survey.
- The survey will be posted in OnTrack, not emailed to the participant.
- Participants who register and miss more than four (4) hours will receive an Incomplete on their OnTrack transcript.
- Participants who register and do not attend any day of the Core Academy will receive a No-show on their OnTrack transcript.

Communication to Participants

All communication to participants who register for the Core Academy will be through the OnTrack system via the email address listed in the participant's OnTrack profile.
